

Co-Designing a Fairness Dashboard

Quarterly Updates - Spring 2024

Project Achievements

Identified design preferences through dashboard exploration.

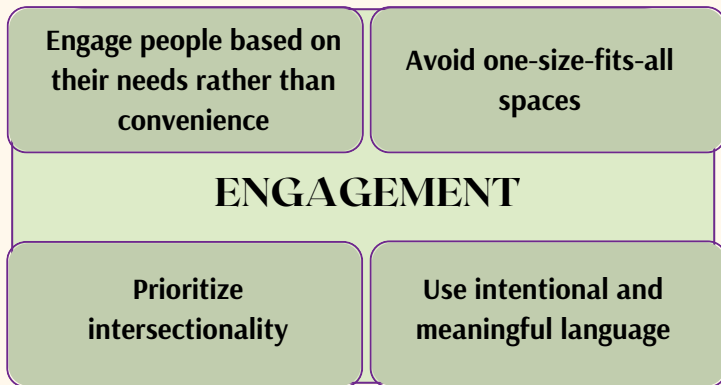

Established key engagement principles for future focus groups.

Received health record data and developed preliminary visualizations.

Foundations of Fairness

Our advisory team explored avenues for meaningful engagement and responsible design. Below are our key guiding principles and terms that frequently emerged in our discussions.

Looking Ahead: Our Next Steps

April - June 2024

Recruit new team member to support development of the Fairness Dashboard

Finalize dashboard visualizations for review

Implement engagement principles for focus group recruitment
