Team Updates

- ✿ We successfully completed our general focus groups (5 in total).
- ✿ We obtained a Tableau license to begin building the Fairness Dashboard.
- ✿ We'd like to extend our thanks to Charlotte and Emily for volunteering to join us for the InSPIRE Conference!

Our Next Steps

January - March 2025

Conduct 6 targeted focus groups with 2SLGBTQIA+ and newcomer groups

Co-develop team video for Dashboard users

Develop the Fairness Dashboard in Tableau

Learning Corner

Each newsletter will feature an optional resource related to our team's work. This quarter, we recommend checking out:

Data is Personal: Attitudes and Perceptions of Data Visualization in Rural Pennsylvania by E. M. Peck, S. E., Ayuso, & O. El-Etr. (2019).
